## Advisory to Consult Physician

---

While oriental Medicine has a great deal to offer as a health care system, it cannot replace the resources available through medical physicians. It is recommended that you consult a physician regarding any conditions for which you are seeking acupuncture treatment.

I, (PRINT NAME) \_\_\_\_\_

Have been advised by Katherine Binder, L.Ac., to consult a physician regarding the conditions, for which I seek acupuncture treatment.

## Financial Policy

---

Eastern Shore Acupuncture and Healing Arts accepts many insurance plans as full or partial payment for professional services. Co-pays and deductibles may apply, and plan benefits will need to be verified by our practice manager

Full payment is expected at the time of service. We accept most forms of payment including major credit cards.

Most conditions require an average of 6-12 treatments, although some will respond well within 4-6 visits and others may require a longer series – this depends on the severity and the chronic nature of the chief complaint.

Your appointment time is reserved specifically for you. In the event of a missed appointment or an appointment cancelled with less than 24 hours notice you may be responsible for payment in full. Insurance will not pay for a missed appointment.

Please indicate your understanding and acceptance of these policies by signing below.
